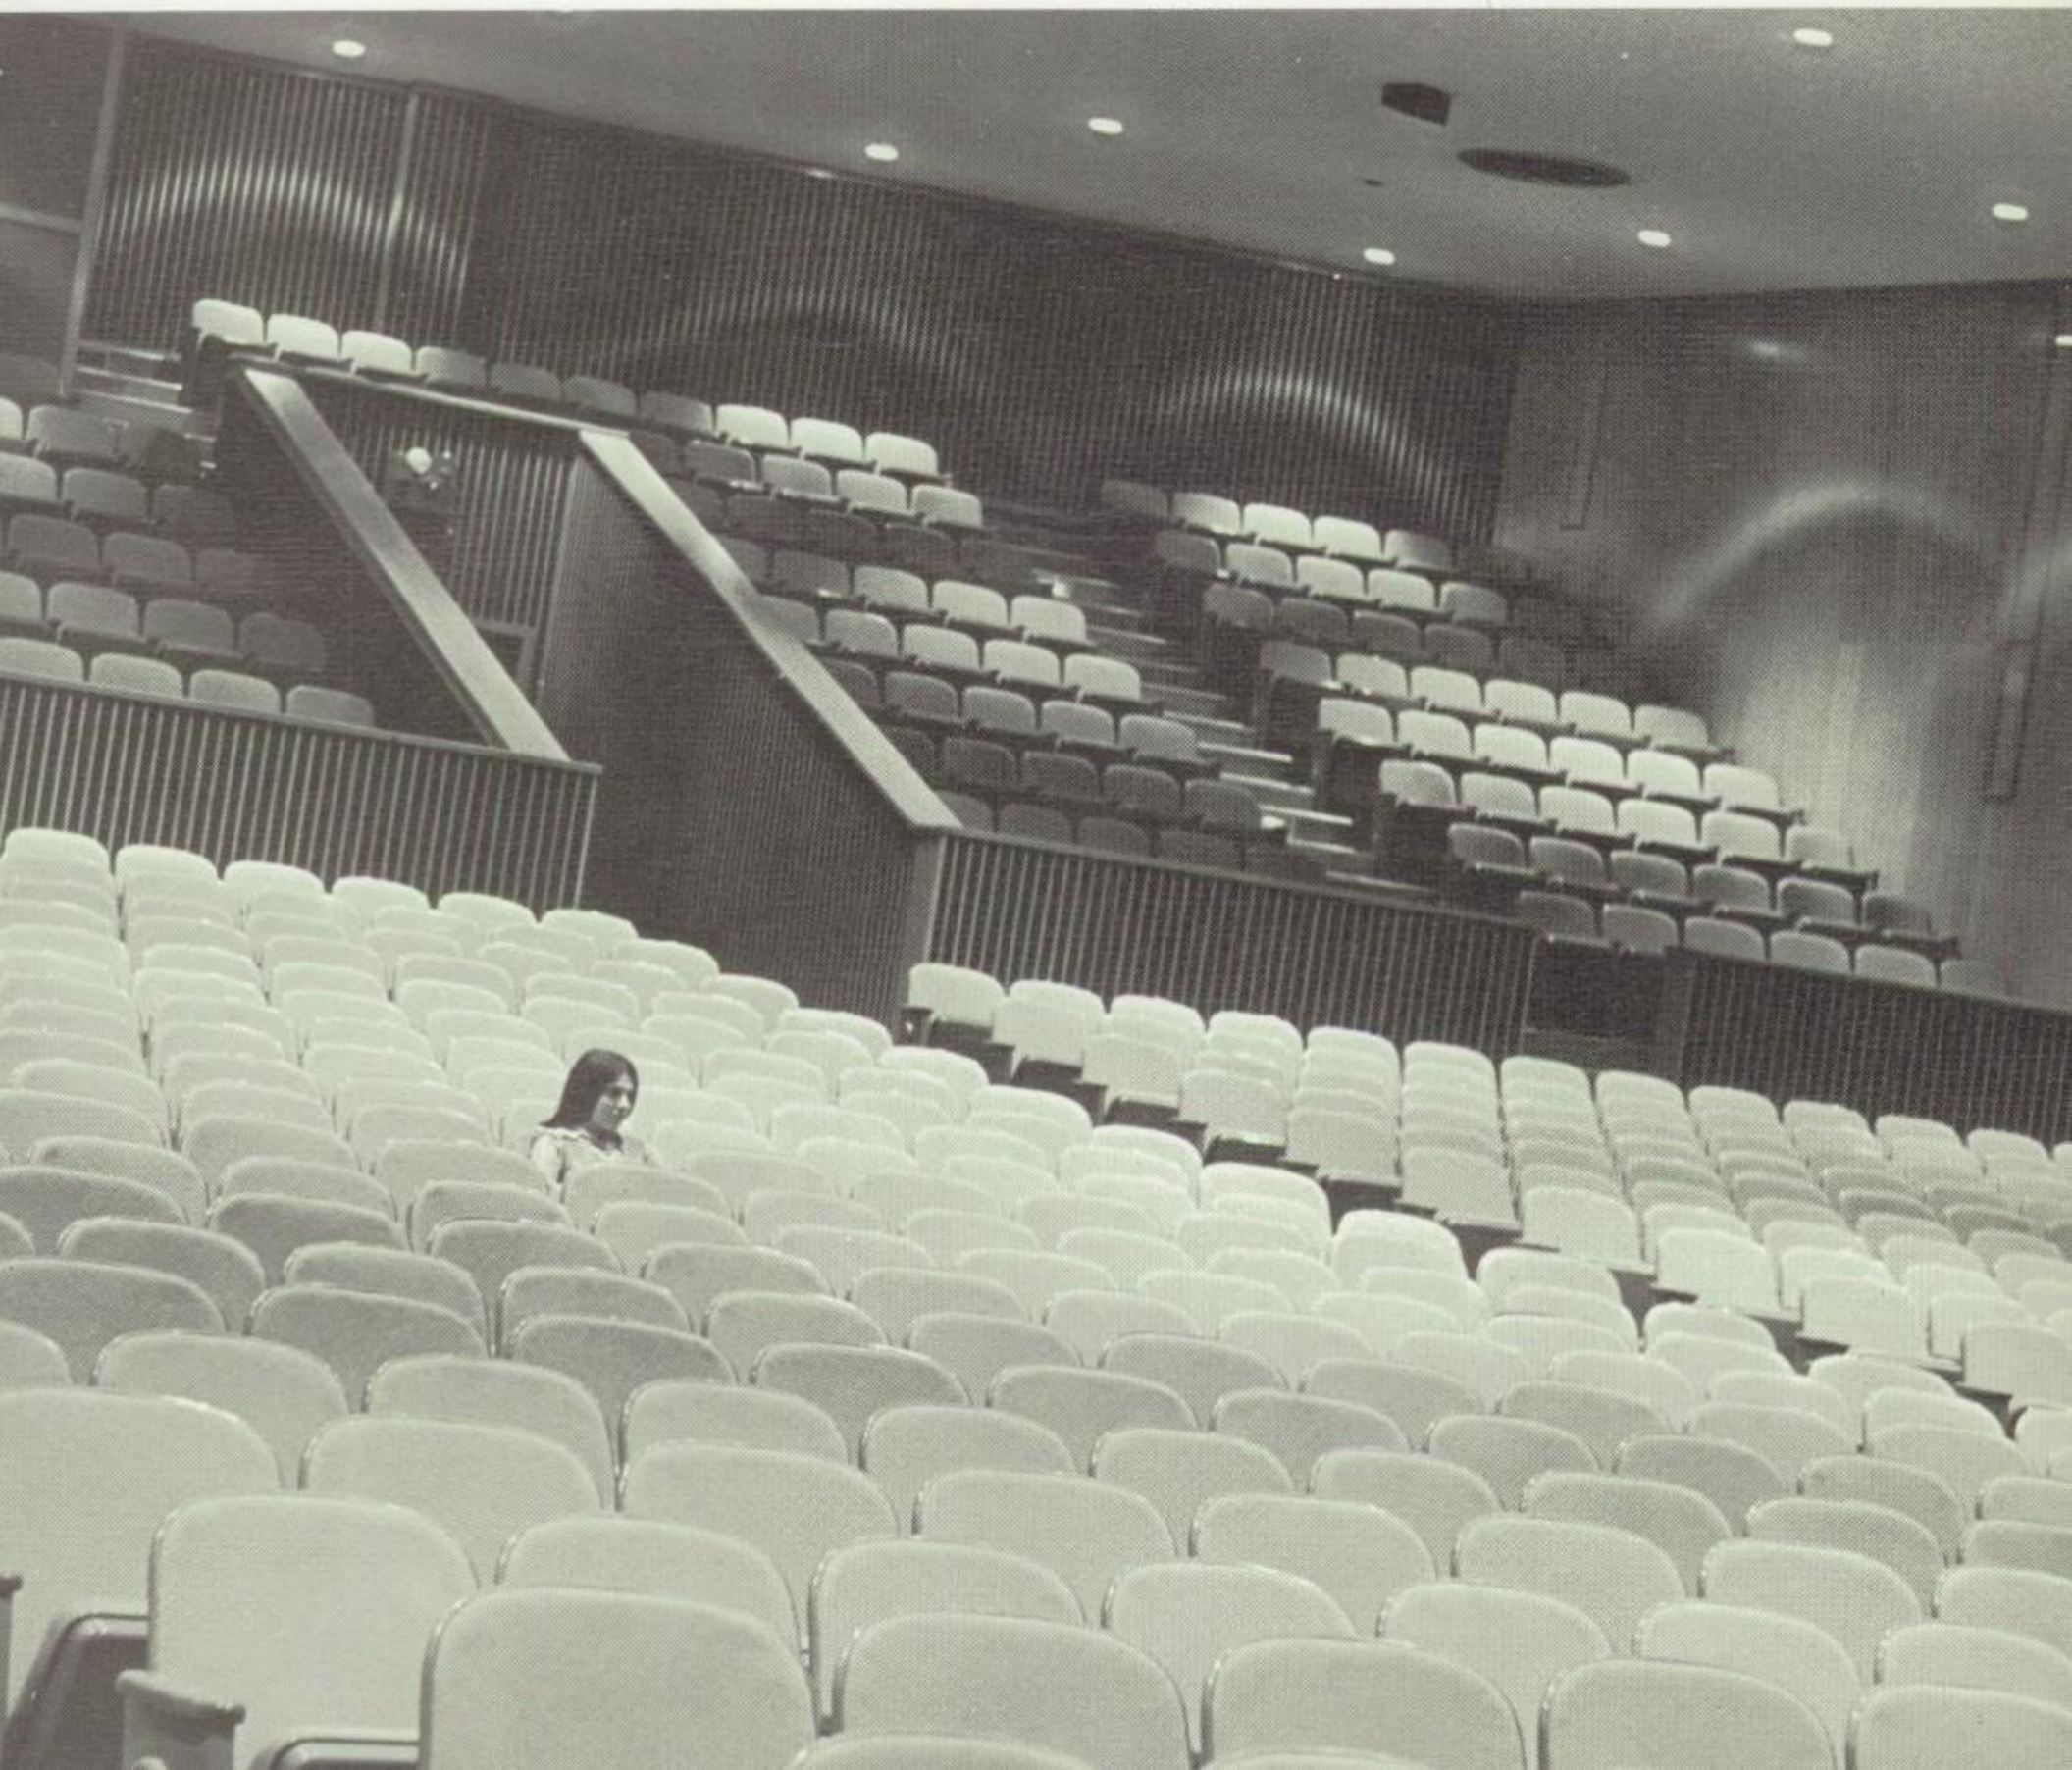
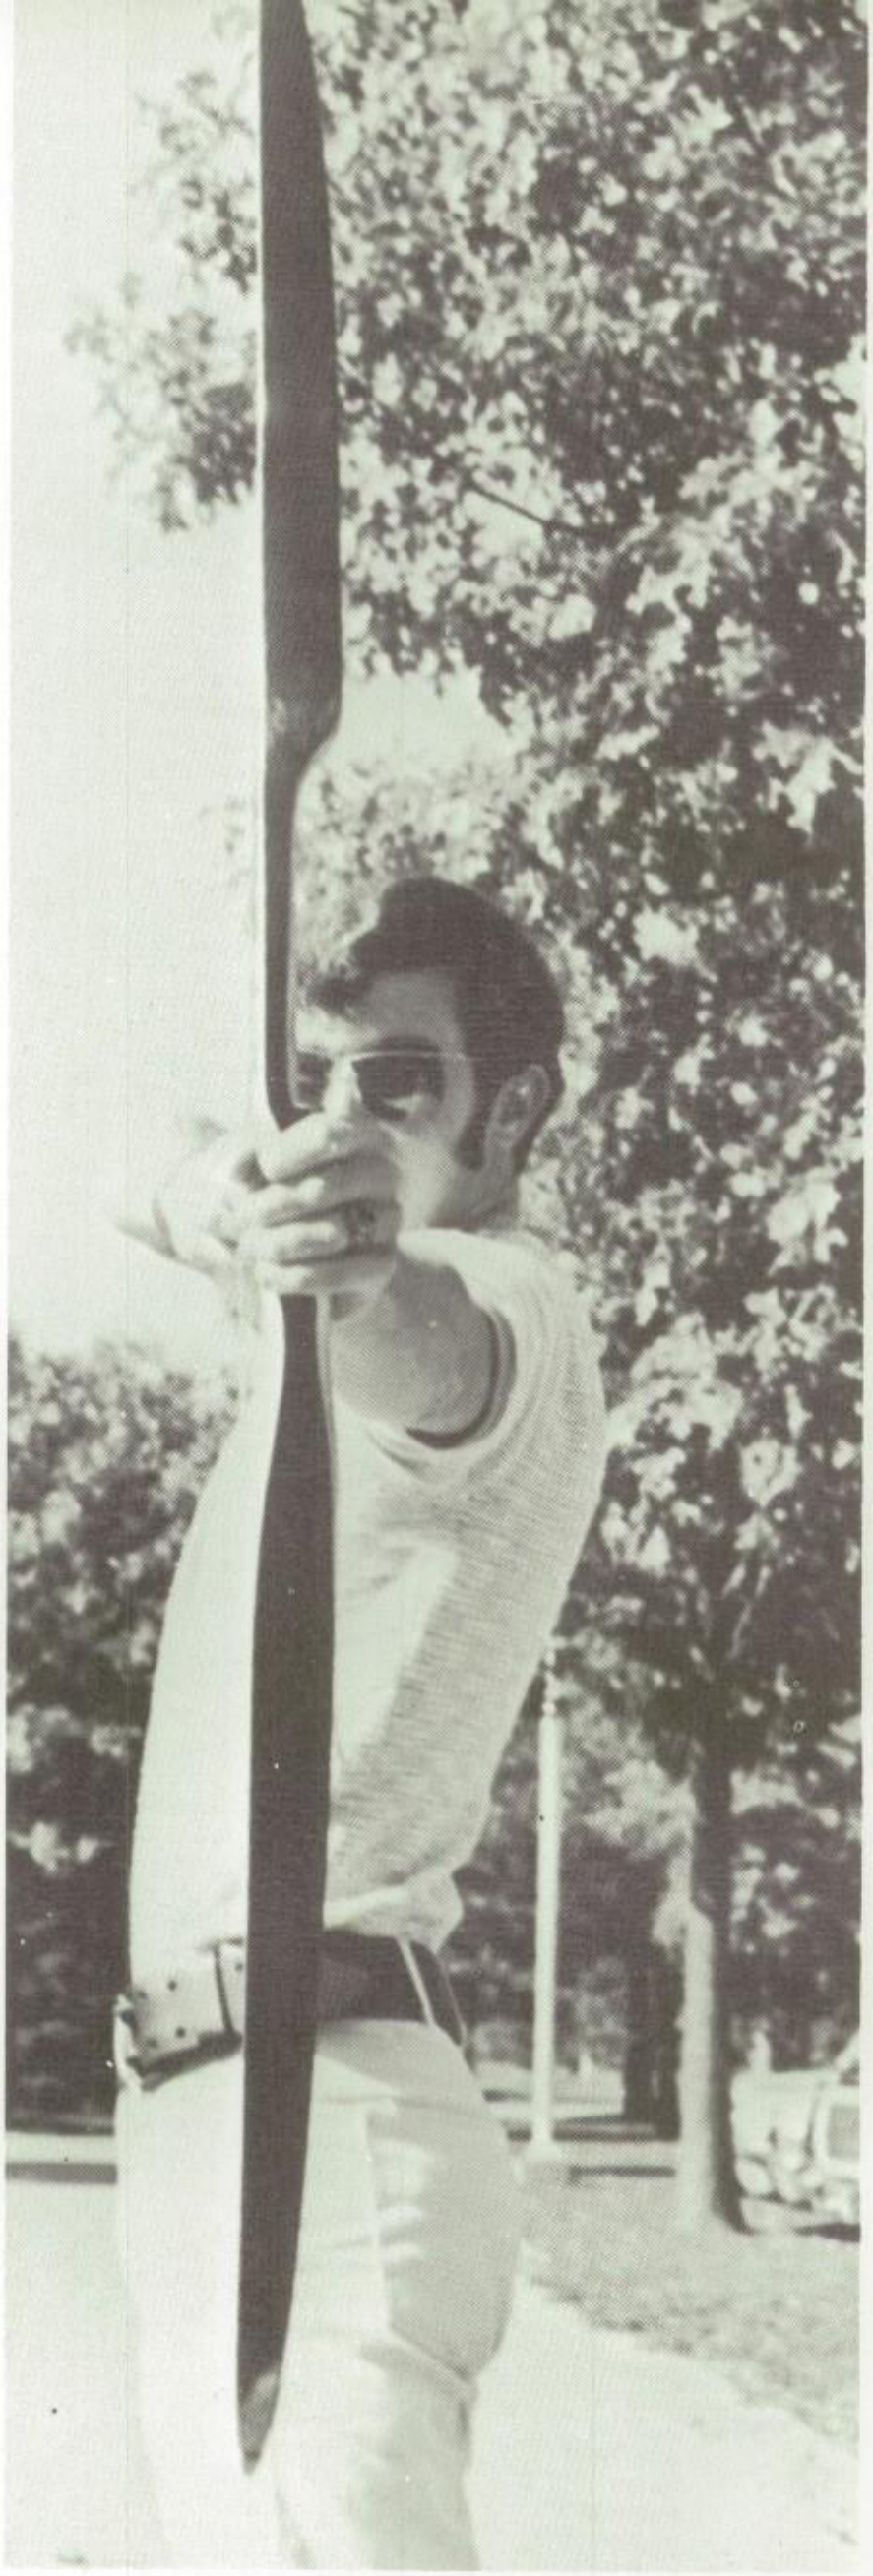
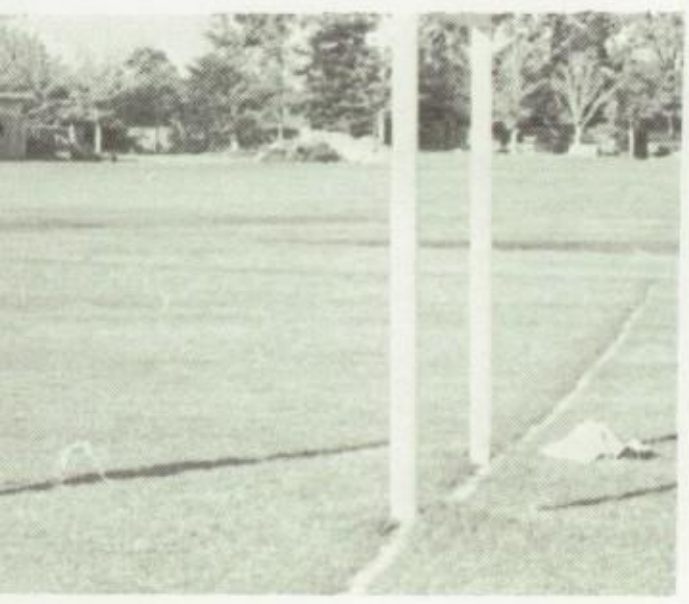
ANTHROPOLOGY

It is good for man to face his life
to bear it or to change it
not to go down the dinosaurs' way

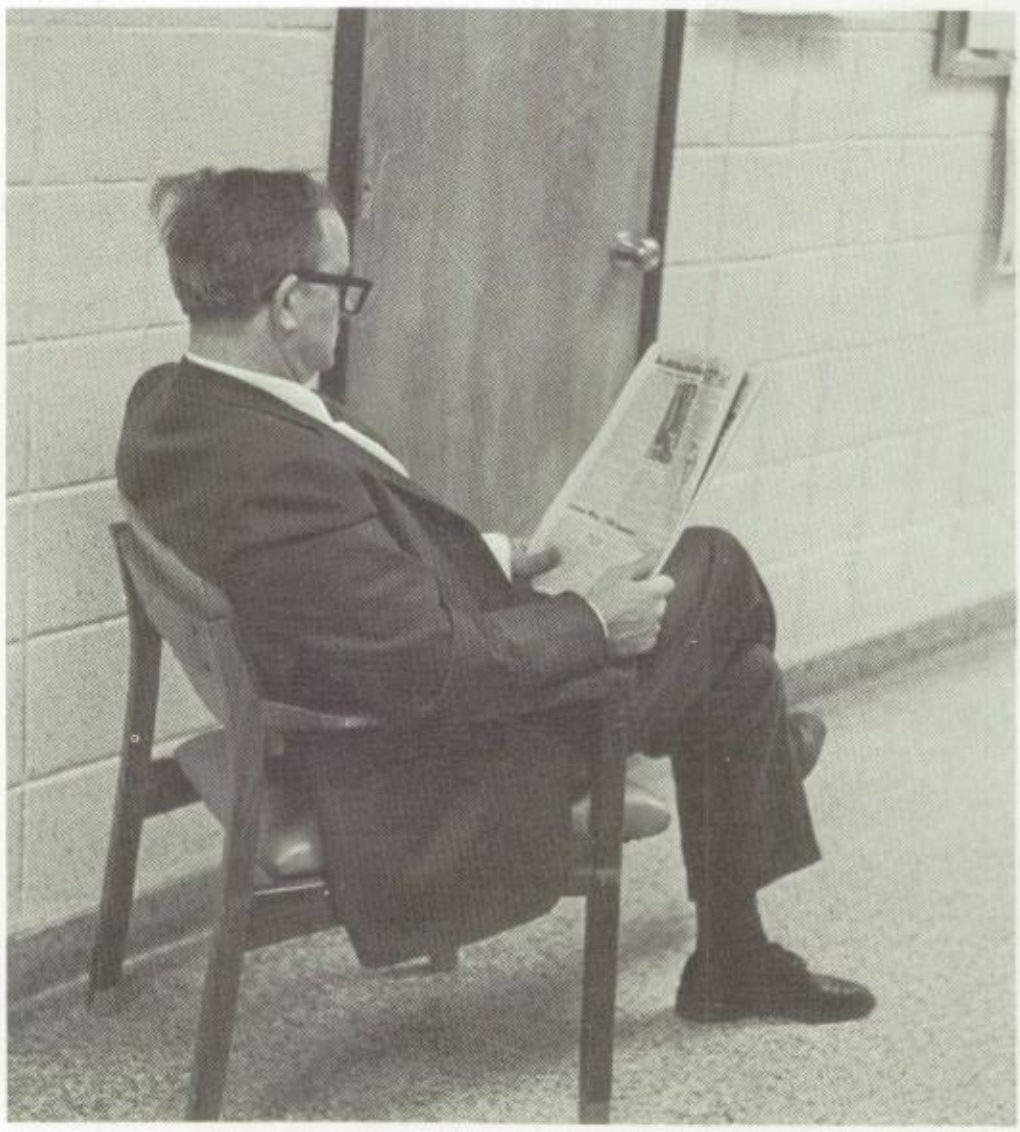


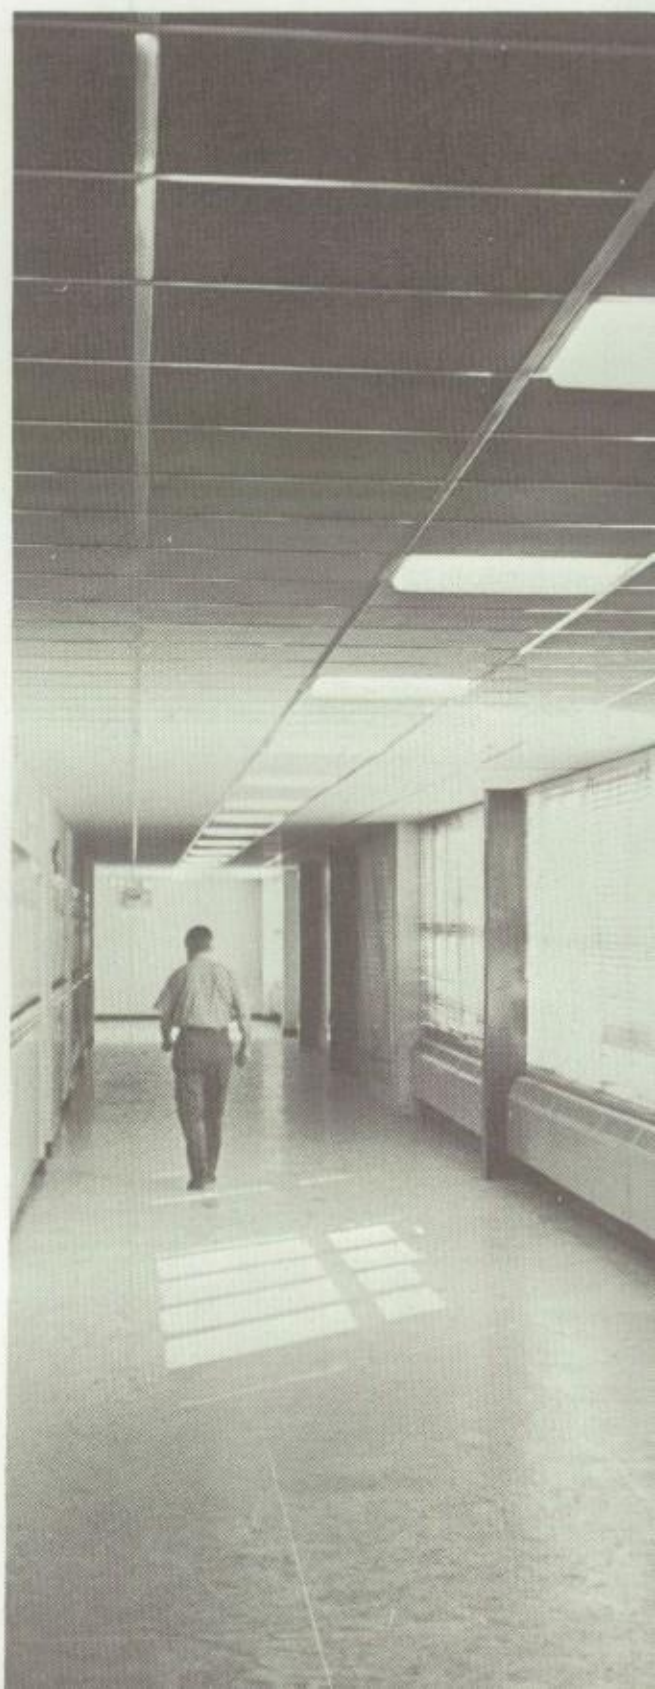


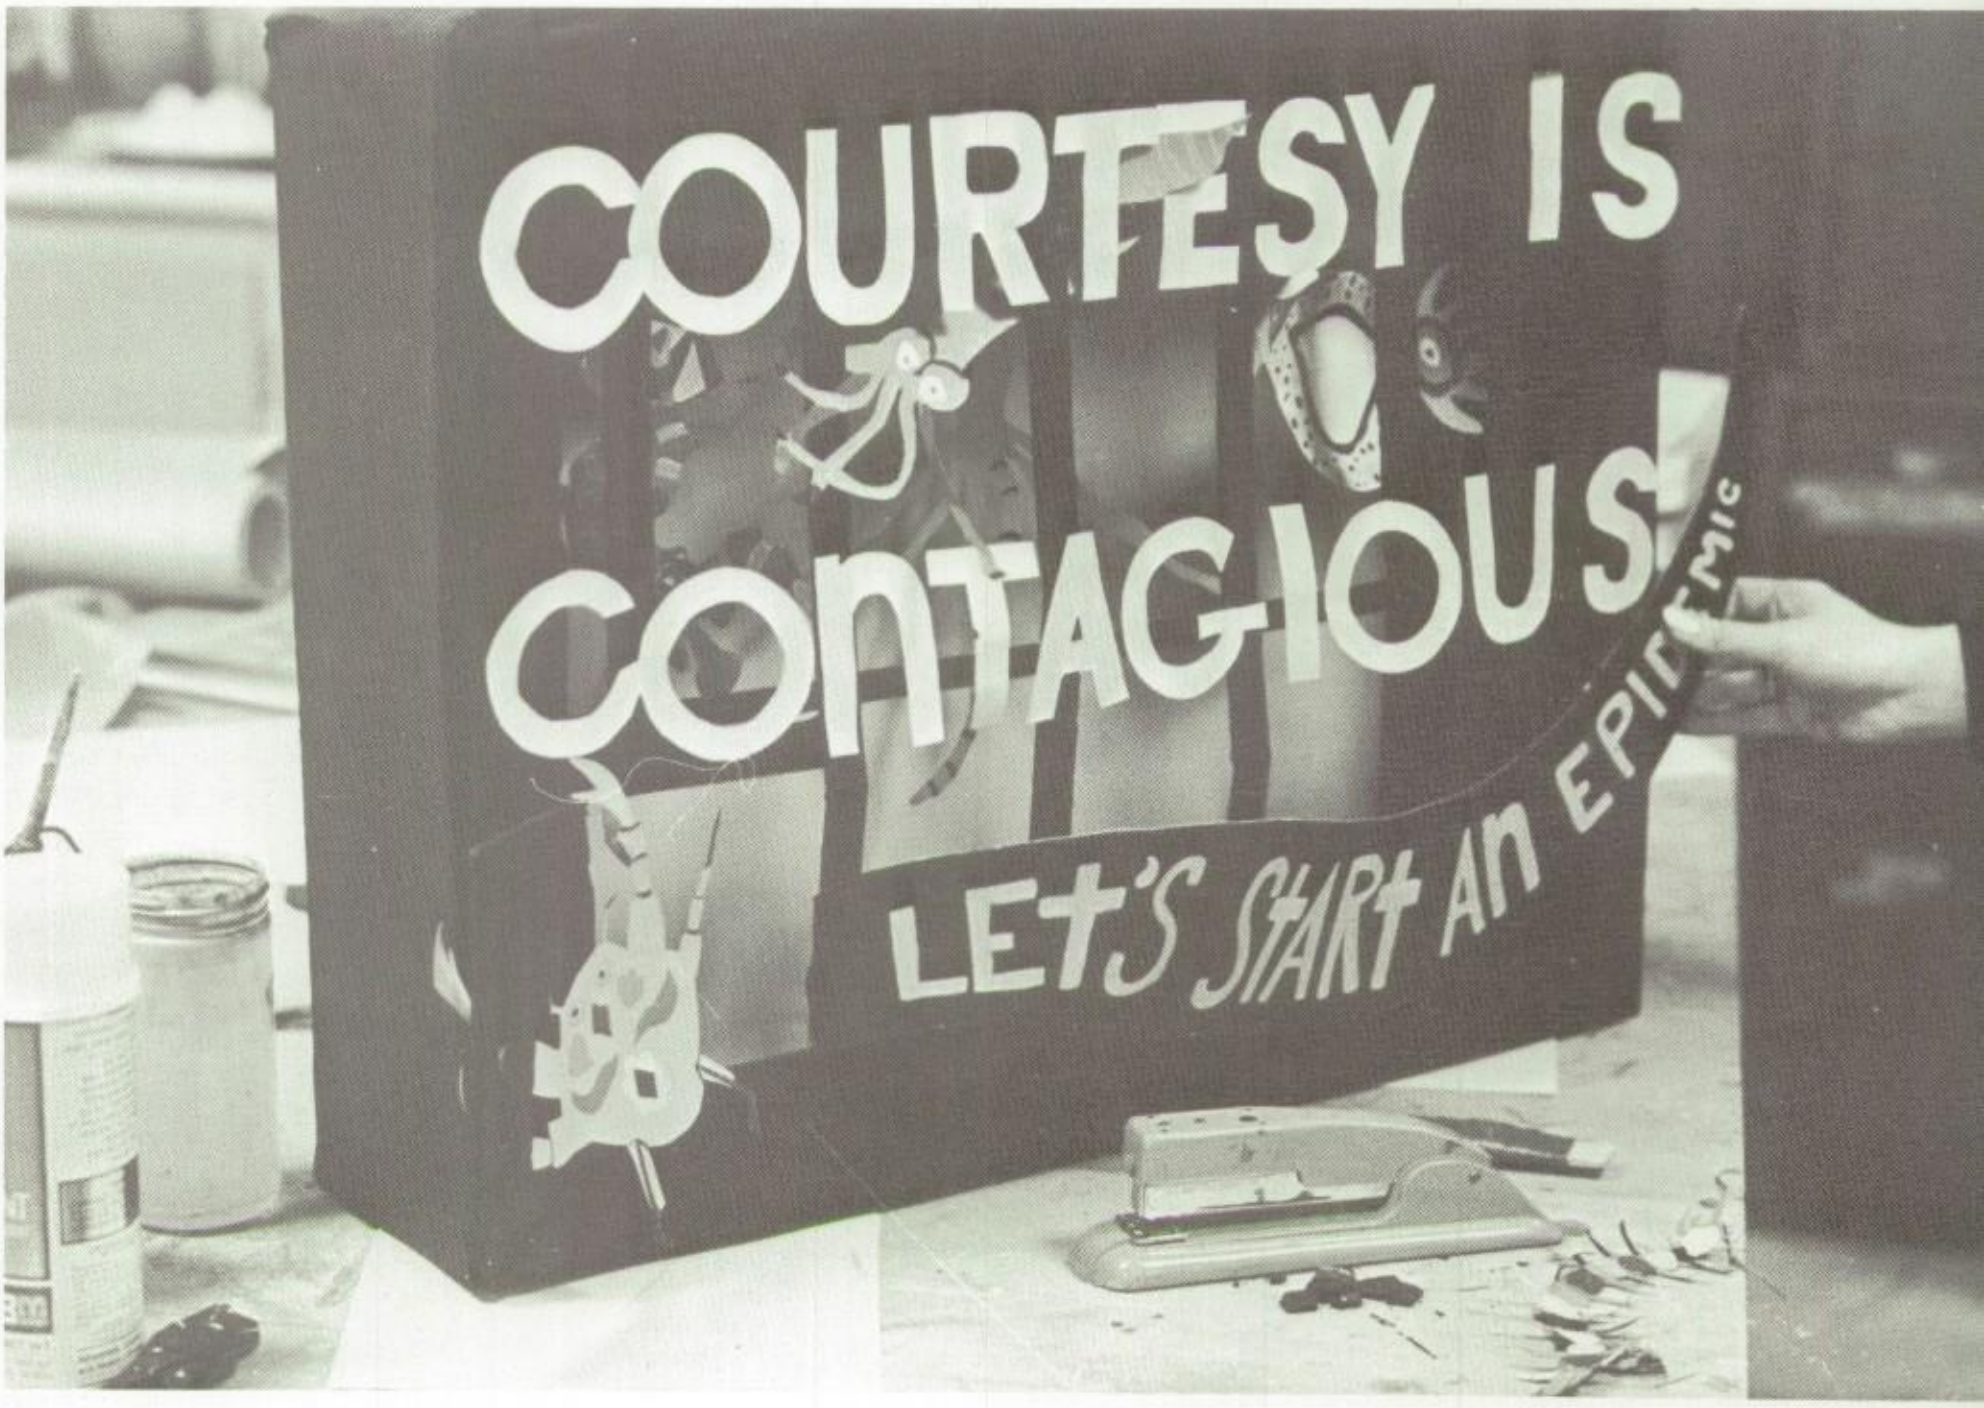
Drawn in despair, amidst darkened days,
shines a ray of hope . . . rejoice!



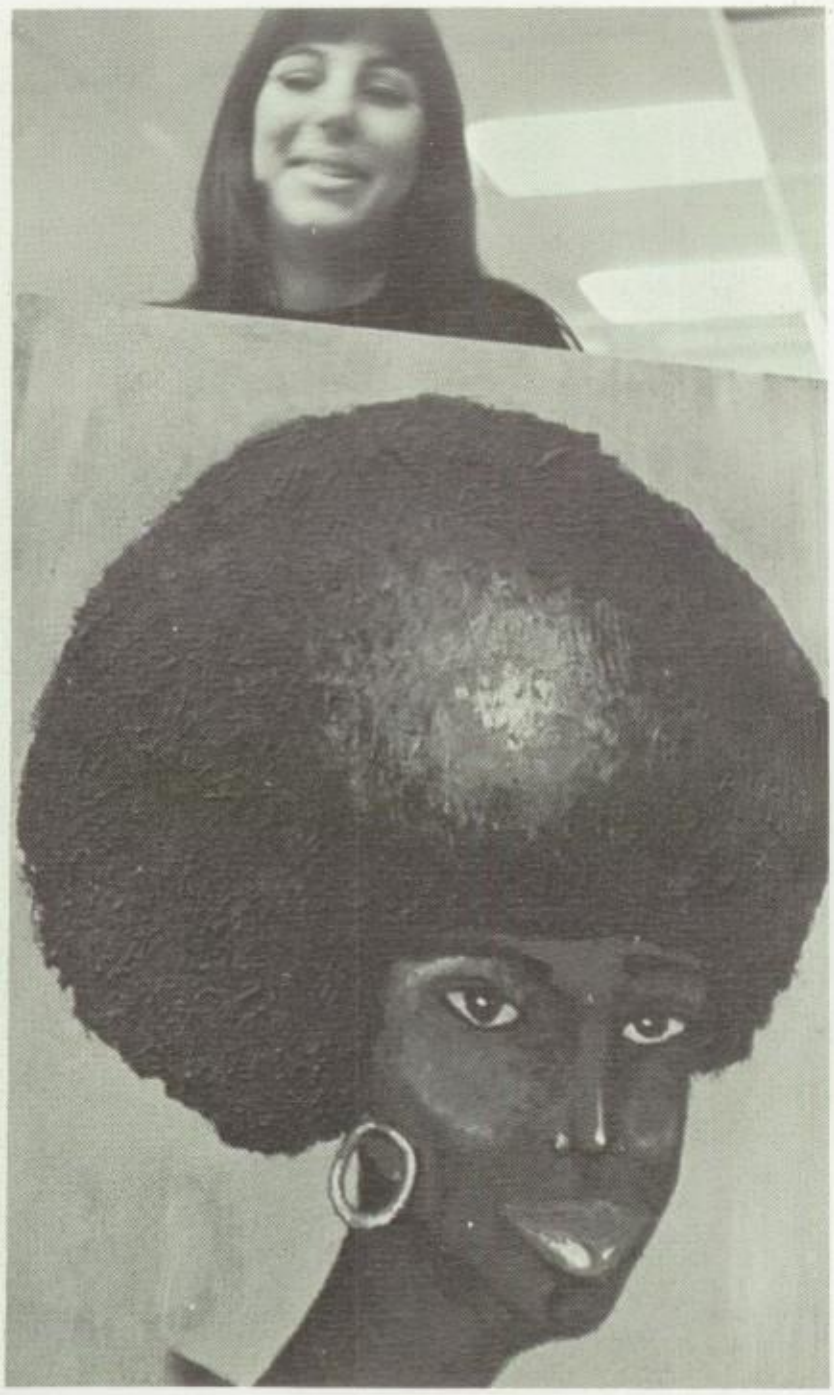
Know now and know forever . . .
that however ugly the parts may be
the whole remains beautiful



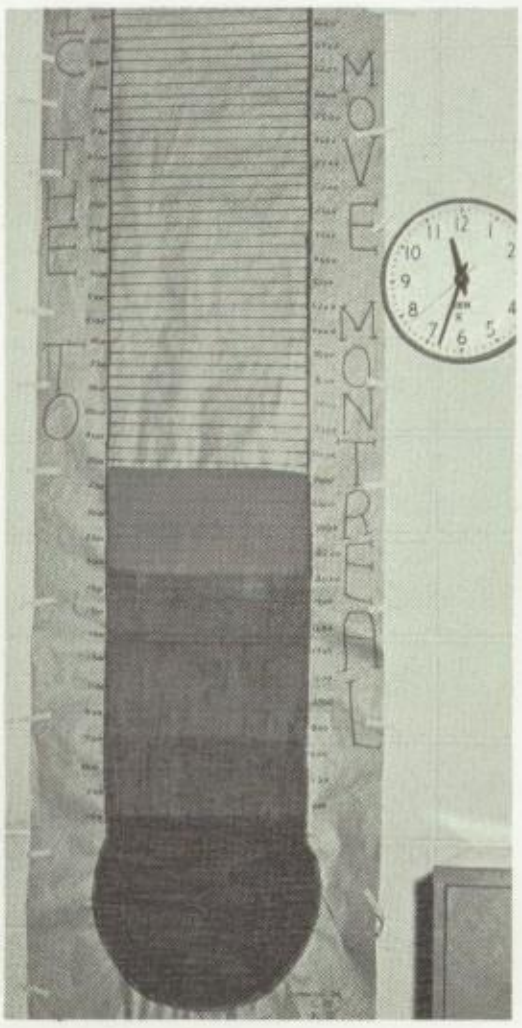




COURTESY IS
CONTAGIOUS!
LET'S START An EPIDEMIC



Your time has come to shine . . .
All your dreams are on their way
See how they shine



One man set against another
proving his best forever . . . how strange

In this world, this vastness, this universe, there is a place that is solely yours. It is the one place, destined only for you and no one else can or ever will come along to fill that place.

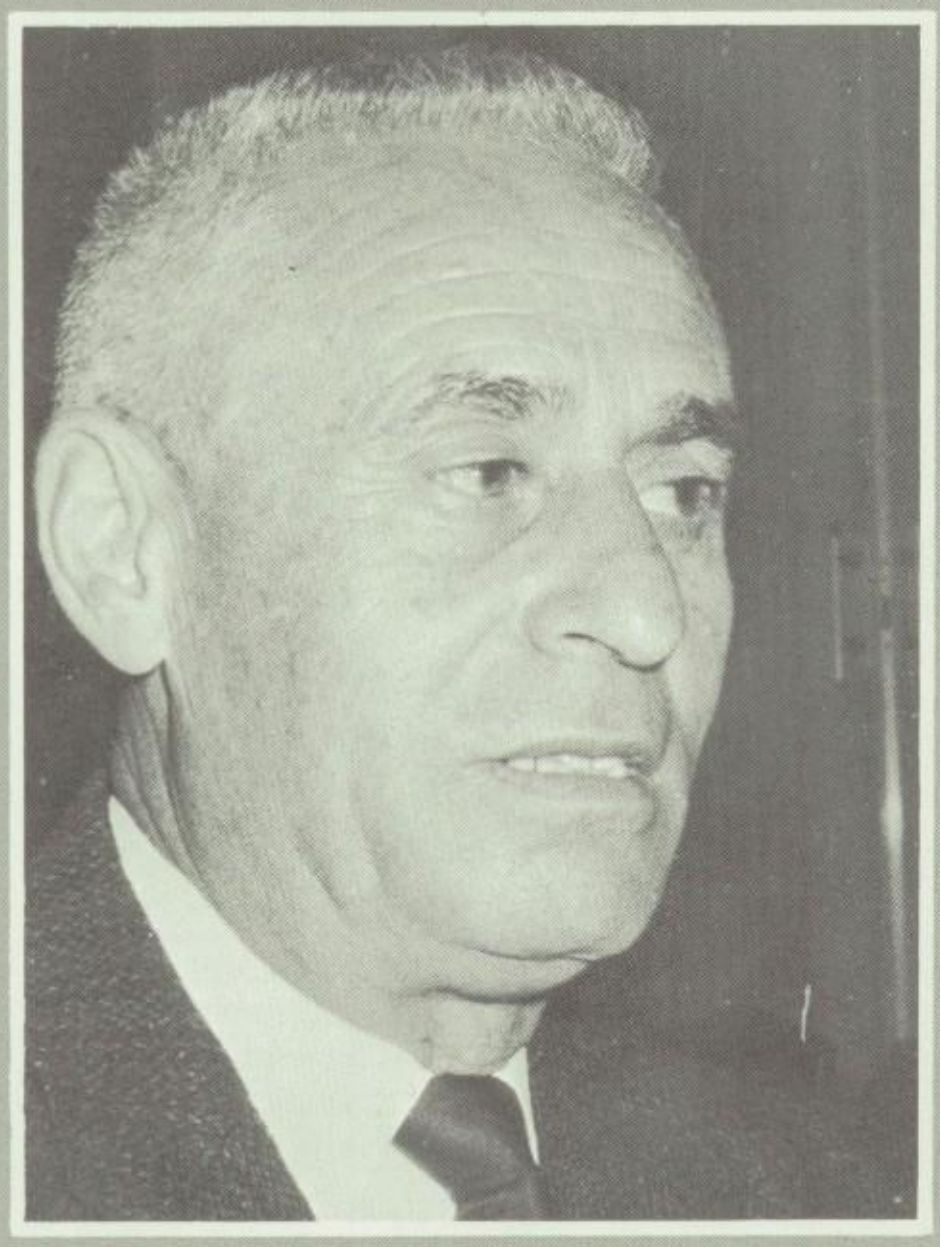
It is the function of the teacher to help us find the place. The teacher can help us find our place through the learning disciplines and by having a total commitment to the teaching profession. Few teachers possess this total commitment. The teacher we are honoring with this dedication possesses academic and human excellence to a remarkable degree.

Her students are the greatest evidence of her total involvement. Year after year her Shakespeare classes are filled to capacity. The academic atmosphere in her room, her warmth and understanding are the frequent topic of student conversation. Her trips to the various Shakespeare festivals and Broadway shows will be remembered and appreciated for years to come. For they have left their mark on us. They have helped us find our place.

It is with honor and a great deal of pride that we dedicate the **1970 Wing and Spur** to you, Mrs. May Sheehan.

AUGUST ROMANO

Superintendent of Building and Grounds
for the
Westbury Public Schools



1907 — 1970

On January 5, 1970, Mr. Romano died suddenly as he was leaving work following his usual twelve hour day.

Mr. Romano represented an unparalleled tradition of complete and dedicated service to the schools and the entire Westbury community. On the occasion of his being named "Westbury Man of the Year" by the Kiwanis Club in 1966, it was noted that he was born in Italy in 1907 and came to Westbury as a child. For the past sixty-two years, he lived in our community and devoted all of his time and energy to helping others.

Until his untimely death, Mr. Romano continued to be an active member of the Westbury Fire Department, Westbury Kiwanis Club, Westbury Knights of Columbus, and a faithful parishoner in St. Brigid's Church.

Mr. Romano's many thoughtful acts, his kindness, and his genuine interest and concern for each of us will be remembered affectionately.

May he rest in peace.

The Ring Dance — A Night to Remember

Natt Chomsky wades through fish nets to receive his ring.

For those in Westbury of an aquatic taste there occurred the traditional Junior Ring Dance. Under an atmosphere of driftwood, fish nets, and flying fish, the Juniors of the Class of '70 received their long awaited rings. After much song and dance, each Junior was ceremoniously called to Mr. Kulchin to receive his ring. As soon as everyone was seated, the "games" began. And it remains to be seen who has the longest spinning ring! Through the hallowed halls of W.H.S. there still prevails that ever-ringing tingle of spinning jewelry, whether it be in the cafeteria, a study hall, or the once quiet library.

"The Prime of Miss Jean Brodie"

Although apathy is no stranger to Westbury, she was temporarily dismissed from those hallowed halls of W.H.S. to make room for the controversial senior play, "The Prime Of Miss Jean Brodie." Breaking away from the traditional "laugh-in" type theatre that occurs every year, the senior\Class of '70, for the first time in the history of W.H.S., presented a semi-dramatic play, "The Prime of Miss Jean Brodie."

Whether it was the time or place for such theatre will continue to stir up controversy, but it can never negate the fact that the acting was superb under the fine direction of Mr. C. Russell and Mr S. Lewis, and that the entire production will long be remembered.

Sandy (Diane Shore) poses for her portrait.

Congratulations are in order for three new inductees.

Honor Society

What a day! I hear whispering and laughing in the halls as we pass into the auditorium. As I enter the auditorium, focusing my eyes on the stage, afraid to see if my parents are sitting behind me, I hear someone say that he doesn't really care if he gets in or not." I know I won't get in, I just know I won't . . . but I hope I do."

This was the last time that anyone could ever experience the excitement and thrill of being tapped, of walking in front of the stage as your title was announced . . . to your world, your special world which could be proud of you.

Due to prevailing circumstances, in the future, an announced dinner will replace the traditional, yet controversial "tapping ceremony." Although removing the apprehension, the dinner will certainly add a different "flavor" to the inductions.

"All the news that fits . . . we print"

Westbury High School, unlike many other schools around the nation, is real and alive. She promotes, discusses, and solves the problems that face the world of tomorrow while living in the world of today. She thinks, she laughs, and she cries, shouting in desperation for peace and tranquility, yet permeated with controversy and confusion. This plea for peace and understanding reflects a personality unique to Westbury High School. Likewise, each student has the responsibility to form his own evaluation of this personality through thought and informative discussion. The thought is fertilized by the brain, the information and discussion is furnished by the Whisp, which in twelve leaves of scholarly gathering, attempts to portray the school as seen by the students of Westbury High School.

W.I.S.E.

Organizing for W.I.S.E. Bob Ferber, Ulrike Hockwin, and Jerry Cody plan the festivities.

Understanding is the key to love. Understanding is the key to cooperation. Understanding is the key to peace. Through communication and the constant change of ideas, in time, the world may be brought a little closer to peace. However, due to a lack of communication, particularly between the major powers of the world and the newly developing countries of South America and South East Asia, there is discord, misunderstanding, and likewise, an absence of peace among the nations of this small world of ours called planet Earth.

To close the gap that is ever increasing between the United States and the rest of the world, Westbury is conducting a continuing exchange program through the Open Door and the American Field Service Programs. This year W.I.S.E. chose two students, Dianne Watson and Ricky Lewis, to represent the U.S. in the Netherlands and Bolivia respectively. In addition, Jerry Cody traveled to Argentina through the Open Door Program. During the school year, Westbury hosted Ulrike Hockwin and Rudy Junge, from Germany and Chile respectively. By continuing to reach out and grasp hands with our worldly neighbors, W.I.S.E. hopes to maintain a line of communication between the U.S. and the world and hopefully to bring this disordered planet of ours closer to unity and peace.

people's minds
it probably wouldn't help
you couldn't understand
unorganized
not always written

When all is dark and quiet outside and the students of W.H.S. have departed, to return home to television, dinner, and a warm home, there remains an elite group of girls who just begin their activities in the lobby of our school. These girls, the W.H.S. Cheerleaders, are a group of dedicated students who offer their time and talent to Westbury in order to add something special to our after school activities.

Cheerleaders

Practicing long hours into the night, the Cheerleaders sacrifice their time, and often their voices, to inspire our teams to victory. Often, a team will put a full effort into a game, and eventually win that game, yet play not to a cheering grandstand but to eight dedicated girls of the W.H.S. Cheerleaders.

Dedicated men have come and gone, strangely unnoticed by those who were likewise inspired by them. We in W.H.S. are proud to have such a man within our confines. Mr. Jan Wilgenkamp, director of the W.H.S. choruses has dedicated his talent to singing and teaching to the students of W.H.S.

Supporting a wife, children, and one very playful canine, Mr. W. maintains an extremely busy schedule, directing classes and five choruses at the Jr. High and High School. In the evenings, he will either be devoting his time to "The Nightmen" (of his own creation) or commuting to a N.Y.C. nightclub. Later in the evening and extending into the early morning hours, Mr. W. emcees an entire nightclub act.

Yet, even with such defeating conditions, Mr. Wilgenkamp plans to continue teaching "until I drop". Such thoughts are rare among men and must be treasured, as should Mr. Jan Wilgenkamp.

Music on the Move to Montreal

Under the fine direction of Mr. J. Wilgenkamp, the Westbury High School choruses have filled our school and community with music for every occasion.

As a special treat to the 1969 — 1970 choruses, Mr. Wilgenkamp has directed a fund raising campaign to finance a three day trip to Expo 70 in Montreal, Canada. There, our singing stars will participate in "Man and His World," as well as taking in the sights.

This year, Westbury has been endowed with the two finest choruses' it has ever had. We are proud, of them, and wish them luck with one last parting thought: "Paper for sale, paper for sale . . . very cheap!"

What Is Happiness?

Happiness is a sunbeam which may pass through a thousand prisms without losing a particle of its original ray, or it is buying three cases of chocolate bars yourself that you were supposed to sell last week!

Happiness is like the stars; you will not succeed in touching them with your hands, rather you must believe in one and it will touch you, or it is thinking that your teacher is absent and then having her walk in at the beginning of seventh period (and you have her eighth!)

Happiness is a child's kiss, set on thy sighing lips, thus making thee glad like the sunshine, or it is missing every meeting of every club that you ever belonged to because all you could hear on the announcements was woo-woo-wooooooo!

Happiness is a prayer answered to a child or, it is being part of the

The Varsity football team, for the first time in four years, failed to win the division title. Westbury had dominated the division of seven schools for the latter part of the decade, but the Dragon dynasty, like all great teams, inevitably had to come to an end. The team finished with a 2-6 record.

The highlight of the season came when the gridders demolished Glen Cove by a 42-0 score. The dragon defense was outstanding, led by Bill Gehring, George Heron, Rudy Gonzalez and Ed Levine.

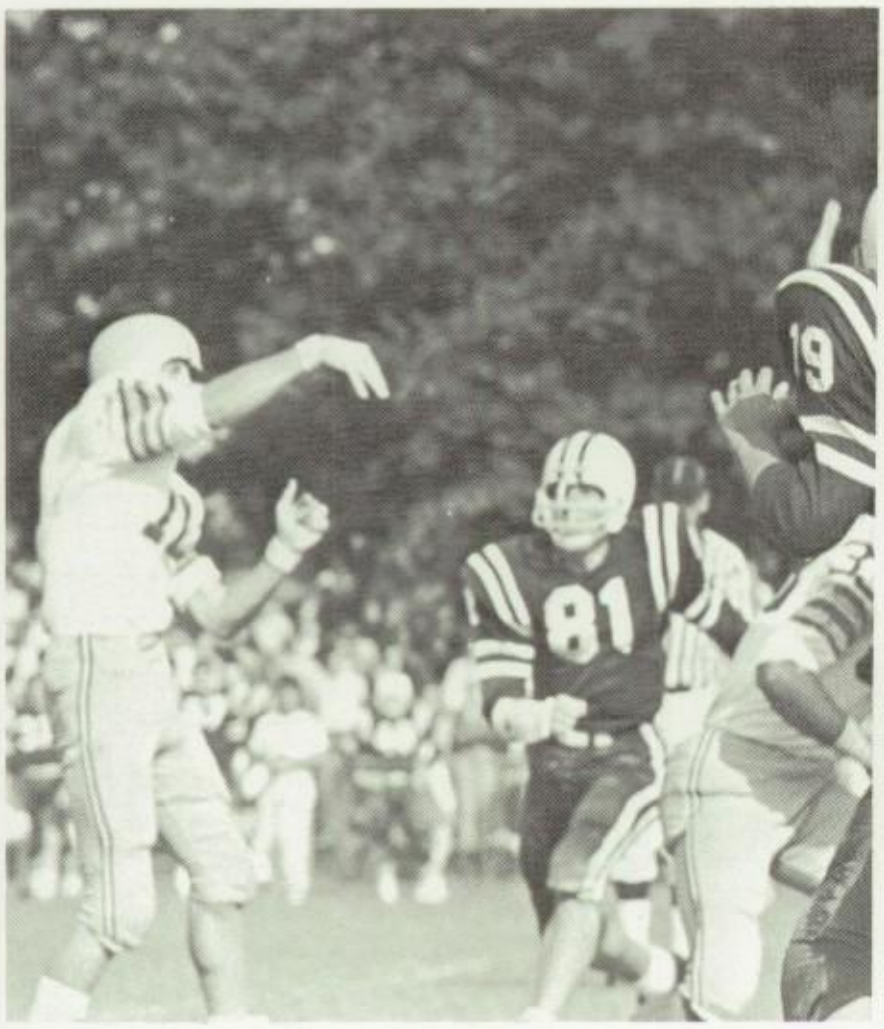
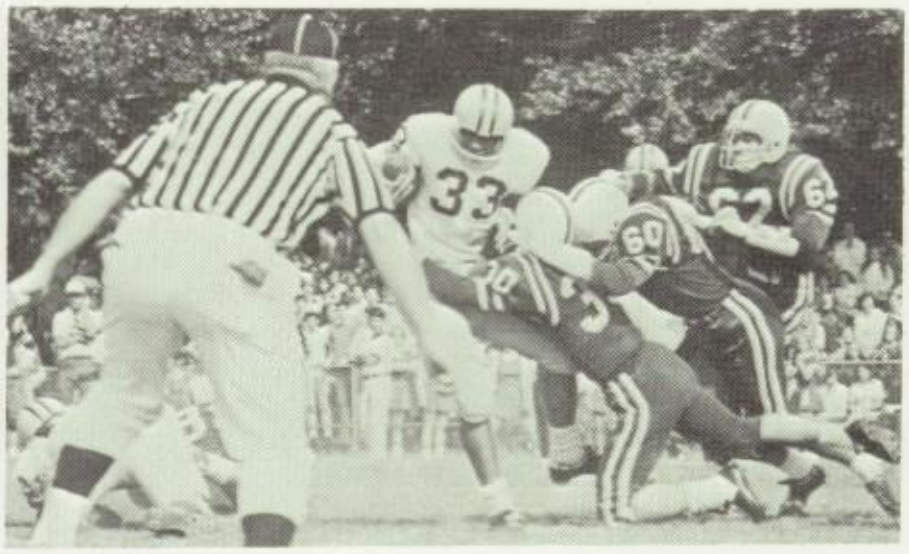
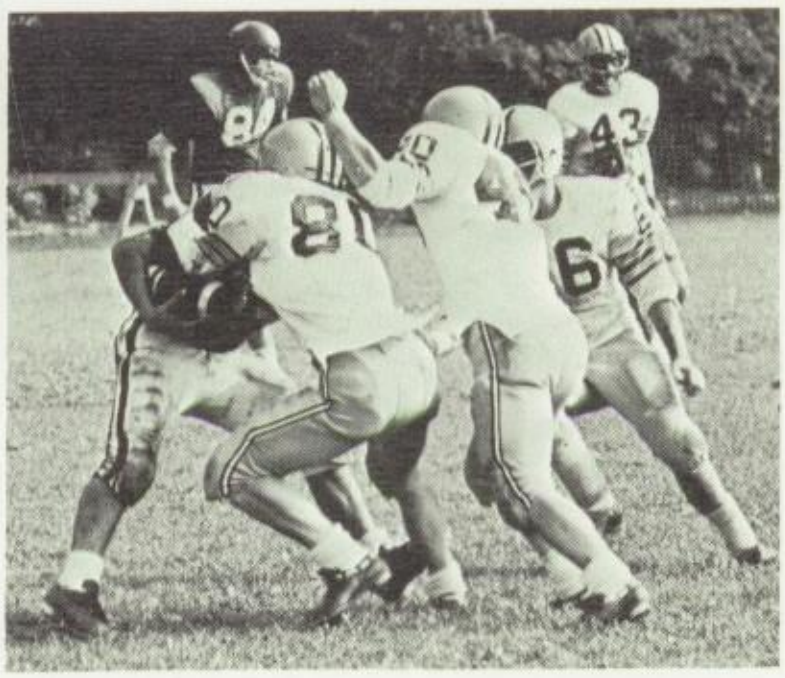
All-Division quarterback, Mike Patti, shows his passing finesse.







Stiff Westbury defense drives the opponent back.

The chief reasons for the team's poor season were a failure to win close games, high level competition, and numerous injuries to key players. Four of the team's six losses were by a touchdown or less and many of these games were lost in the closing minutes. At no time during the season was Coach Nunziata able to field a healthy squad. At one time or another injuries plagued top-flight players Tom Donohue, Scott Norris, Mike Patti, and Paul Napper.

The gridders, however, were not without post-season honors. Seniors Scott Norris, Mike Patti and Tommy Donohue were named All-Division, and Norris was further honored by being named to the All-North Shore Team and second team All-County.

Ken Auster protects the Westbury goal.

Westbury Soccer team; slow start, exciting finish

The Varsity soccer team, under the direction of Coach John Hotchkiss, finished a disappointing season with a 5-4-3- record. The season was marked by a lack of scoring due to an inconsistent offense.

After a non-league loss to Great Neck North the team went without a loss until its fifth game against perennial power Glen Cove. The booters were overpowered by the score of 8-0. Following this defeat the team won 3 out of their next 4 games. Then, in their final game of the season against Glen Cove, the team almost pulled off a major upset but lost in the waning minutes by a narrow margin of 1-0.

Post season honors went to star halfbacks Nick Buffalino and Mike Pascarella who were both named to the All Division team.

After a year of rebuilding, the Cross Country team, under the direction of coach Jan Wilgenkamp, finally finished strongly in third place with a 5-2 record.

The Harriers were led by two excellent seniors, Ken Franklin and Nick Papain who continuously finished among the leaders in each meet. The outlook for next year seems extremely favorable with Mark Goldstein, James Sharkey, Mike Proper and promising sophomores Scot Tauber and Allen Offenberg returning.

Ken Buddington soars over the high bar.

This year's indoor track team completed a fine season with a 5-1 record, good enough to finish second in the Division III meets. The team was particularly strong in the hurdles and the high jump. In the hurdles, senior Ricky Small was undefeated and placed first in a meet of fifty public and private schools. Westbury had the three best high jumpers in the county with Jasper Andrews, Bobby Brown, and Ken Buddington.

The Dragon runners were equally outstanding. Ken Franklin, in the 1,000 yard run, and Nick Papain, in the mile, both placed first in four out of the five meets. The relay time of Gary Franklin, Bob Wickey, Ricky Lewis and Len Watson also turned in a credible season. Although next year's team will be weakened by the loss of many fine seniors, the indoor track team will again look forward to a fine season.

The Westbury baseball team completed its most successful season with a league record of 8-4 and an overall record of 11-7. Starting the season slowly, the Dragons won their last 5 out of 6 games to finish in a three-way tie for first place with Roslyn and North Shore. This was the first time in the diamondmen's history that they had won the Division III title.

The pitching staff was led by ace Tom Donohue with a 5-0 record, who received the distinguished honor of being named an All-County Pitcher. Other post season honors went to Rich Kaplun and Joe Daddio, who were named All-Division infielders and shortstop Scott Norris, who received an honorable mention. In the Dragon's only post season game, they lost to Port Washington, the eventual North Shore champion, 2-1. Next year's team promises to repeat as Division Champs with returning starters Scott Norris, George Heron and Tom Donohue.

After laying down a perfect bunt, David Storch races to first.

Golf team

GOLF: B. Katz, W. Carbone, R. Honan, S. Shanowitz.

GOLF: The 1969 Golf team encountered one of their few losing seasons in the past few years by compiling a 4-8 record. The team was led by John Coll with a 10-2 record. Completing the team were Steve Shanowitz, Brian Katz, Rich Honan and Wayne Carbone.

BOWLING: This year's bowling team under the leadership of coach Joe Gregson, completed a highly successful season with a 20-16 league record and a 26-16 overall record for a .615% won-lost record. The team placed 4th in their division, good enough for an invitation to the North Shore Tournament. The team was led by seniors. Todd Shusterman with a 180 average and Barry Bergman with a 175 average. Todd Shusterman posted the high game of 227 and high series of 614. Others rounding out the team were lettermen Howie Somberg, Steve Shanowitz, Louie Ross, Mike Neway and Richie Conde.

This years' tennis team, led by first year coach Michael Fiedler, finished a successful season with an 8-3 record in North Shore III, good enough for a second place finish behind perennial power Roslyn.

The Netmen were paced by an outstanding senior, Robert Katz, who compiled a 10-3 record playing in the number one singles spot. In the other singles spots were senior Ricky Kaufman (9-4), sophomores David Small (10-3) and Glenn Simon (5-8).

A contingent of four strong doubles teams were led by two excellent juniors, Robert Gibralter (12-1) and Ricky Heckler (12-1). The other doubles players were juniors, Harry Seltzer (8-4) and Bob Shugoll (8-4), seniors Jeff Shoobs (9-4), Howard Somberg (7-3), Steve Shanowitz (2-1), and sophomore Paul Shainheit (2-0).

As a result of beating a strong Plainview Kennedy team, the Netmen gained a tie for second place in the division and a tenth in the North Shore playoffs for the third year in a row.

The Varsity basketball team, possibly the best team ever in Westbury High, finishes the regular season with a 17-1 record. A powerful starting five consisting of four returning starters: Dennis Duval, Bob Brown, Harry Spann, and Scott Norris, plus 6'6" transfer student, Bill Parsons, form the nucleus of the team. Superstar Dennis Duval, following in the footsteps of Rudy Waterman and Joe Depre, led the hoopsters in almost every category. An almost unequaled ball-handler and passer, Duval is also an exceptional driver, shooter, and defensive player.

Two of the biggest wins of the year were early season two point victories over highly ranked Maria Regina and Uniondale. The Dragons finished the league season undefeated, winning the Division III championship for the third consecutive year.

The team got a bye in the first round of the playoffs but in the second round G.N. North knocked the Dragons out of the playoffs in a stunning upset. It was an abrupt end to an otherwise almost untarnished season.

Excellence in competition and fine coaching draw Westbury into county playoffs.

Ian James demonstrates his prowess as a broad jumper.

The Westbury Track Team, hampered by costly injuries, placed second in the Division Championship Meet bowing to a strong Division Avenue squad.

In the past few years, the track team of Westbury has dominated the schools in the North Shore. But last year it began rebuilding its forces since many veterans were lost by graduation.

In the track events, were miler Ken Franklin, and two miler Nick Papain, who were each defeated only once. Jasper Andrews and Ken Buddington were the leading division high jumpers, and John Sharky provided a strong offensive threat with the shot put. Sharky was the leading scorer and received the outstanding competion award. Nick and Mike Mort led the Westbury pole vaulters, and 880 man Ron Kaufman, was an excellent break-away threat.

Barring injuries to Ricky Small, Dave Shapiro, and Ian James, the team might have finished higher in the division standings.

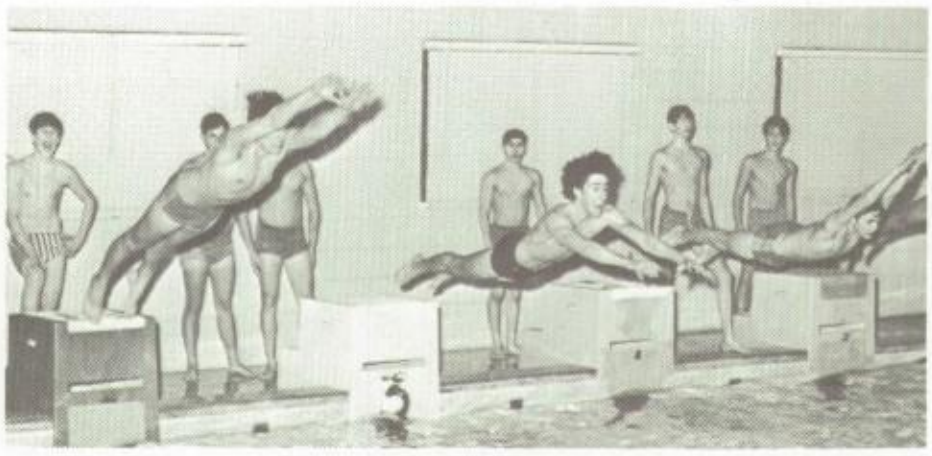
Mermen splash due to inexperienced squad



This year's edition of the swimming team finished its most disappointing season in recent years. The team's final record was 1-12. Mostly made up of Juniors and Sophomores, the mermen are building up a potential dragon swimming power. Sophomore Lindsay Gillies, already one of the top swimmers in the county, has been one of the team's few consistent winners in the Individual Medley and the Breaststroke. Tom Henry, a Junior, excelled in the backstroke. The 400 yd. freestyle relay consisting of Gary Lagnese, Joel Adler, Dave Jarret, Tom Tumbarello, all underclassmen, also fared well. Coach Tom Sheehan, may be on the way to building a future Westbury swimming power.

This year's wrestling team, under the supervision of coach Carmine Marano, completed their most successful season ever with a 12-1-1 record. The grapplers finished second in Division III. The team was sparked by such outstanding matmen as Billy Zybul, Doug Thomas, Richie Hand, William Hamilton and James Prewitt. In post season tournaments, Richie Hand and James Prewitt finished second in the Division and Richie Hand placed eighth in the North Shore finals.

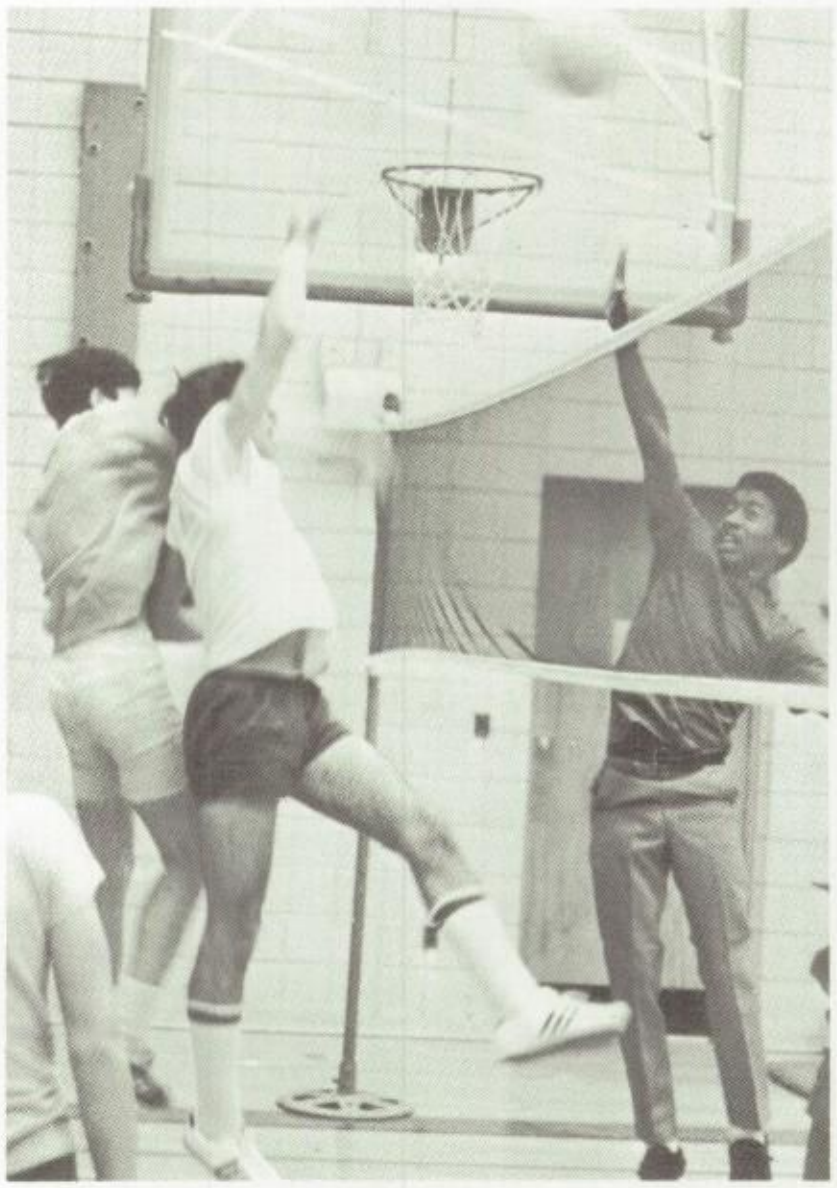
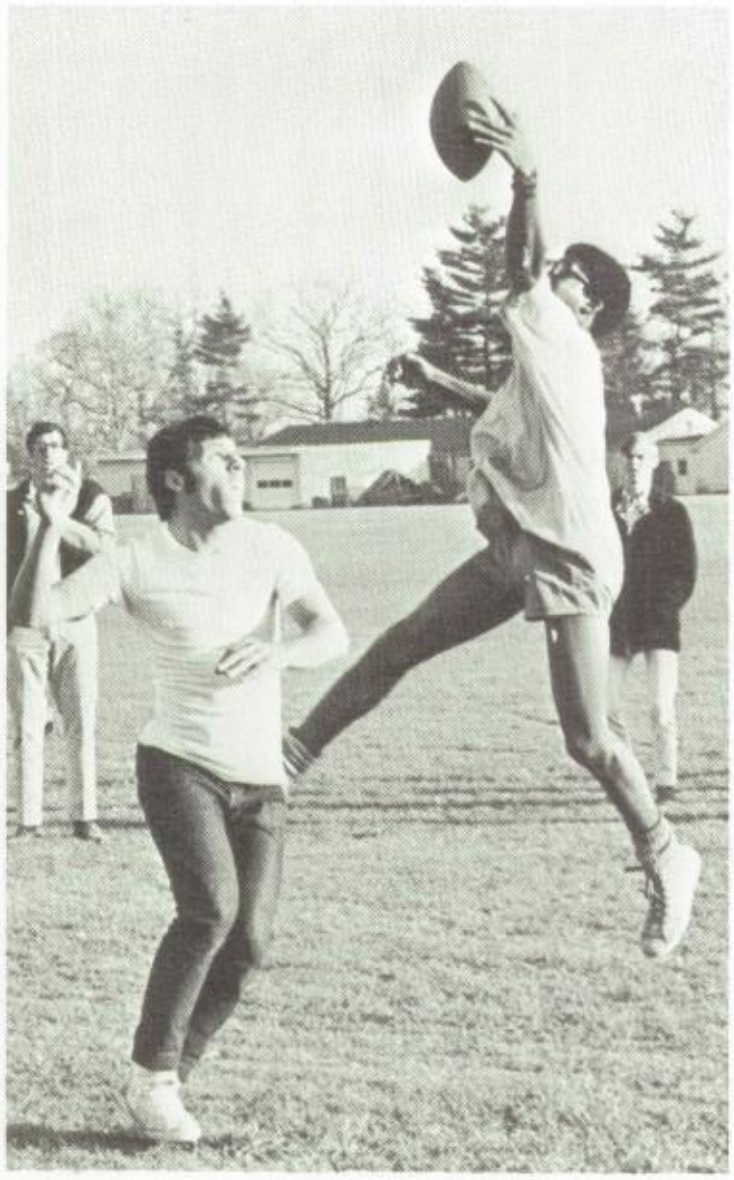
Intramurals

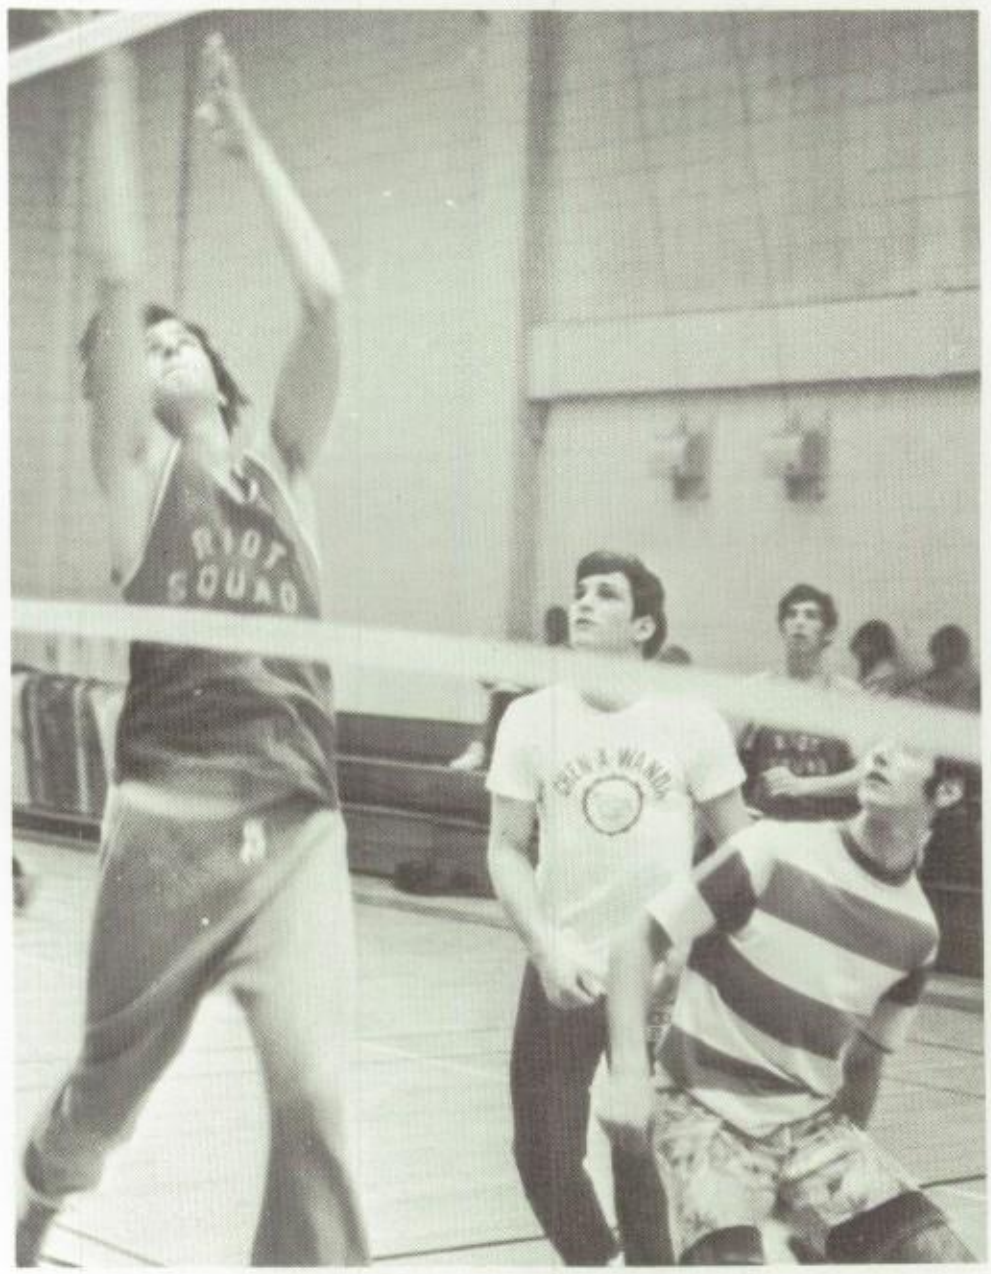
Paul Levi taps the ball to Bruce Bentley.



One could say that intramurals was designed to develop skill, sportsmanship, and character in non-varsity sports. Yet, the fact of the matter is that the boys of W.H.S. in the extensive intramurals program offered here, are in it to have fun, pure and simple fun. Yes, skill, sportsmanship, and character do qualify as results of intramural participation, yet, these boys simply enjoy playing the sports and like to have fun together. In contrast with varsity participants, these students do not play for glory or the mere satisfaction of victory, rather they follow the true lines of sportsmanship, which are to have fun, respect the other players, and be honorable winners and losers (of which there are many.) Such sportsmanship, developed skill, and attained wit in the titling of the teams (The Kosher Nostra), has made the intramurals program the finest W.H.S. has ever had.



Jeff Shoobs tries to intercept a pass.



Bob Shugoll spikes the ball over the net.

Cheerleaders, That's all that there was exclusively for girls to join and participate in. Yet today there is something else. There is G.A.A. (Girls Athletic Association). Through the concerted efforts of Miss Proly and her staff, the girls of W.H.S. are continually offered opportunities to participate in sports and simple physical exercise. The girls are offered such varied activities as basketball, hockey, volleyball, softball, bowling, archery and badminton. In addition to the activities confined within our school, there exists an interscholastic program with other schools. Although superiority in sports is strived for, emphasis is placed on the relationship between the students, stressing friendship, participation, and understanding.

TEL. 212 782-6000

Dear Graduate:

Graduation is a most important time in any family's life. A time to reflect about the many good things that have happened in the last four years ... and a time to think about the years ahead.

I am certain that you have considered furthering your education, either in college or in the many fine trade or nursing schools which are available. Perhaps you have already made a decision ... we hope it was to continue your education.

Now here's how we can help!

Under a cooperative arrangement with the New York Higher Education Assistance Corporation you may borrow from $1,000 to $1,500 a year with a maximum of $7,500 for attending college ... lesser amounts for trade schools. You make no payments and there are no interest charges while you are in school. Upon termination of studies you can take up to ten years to repay. Loans are made directly to the student ... no co-signers are needed. Dial either telephone number listed below for additional information.

May we take this occasion to congratulate you on your graduation and to wish you a successful and rewarding future.

Cordially,

Michael J. Burke
